EVENT HOST

Law Enforcement Against Drugs

Founded in 2014, L.E.A.D. was the brainchild of Law Enforcement and Educational leaders who felt that the time had come to develop a comprehensive evidence based means for law enforcement agencies to ensure they provide proven effective methods to serve their respective communities. "Many different organizations have attempted to offer specific programs to serve various functions, but L.E.A.D. is designed to bring the entire agency together to offer many different types of programs. We want to be the charitable organization that enables various law enforcement agencies to achieve the best possible services for the people they serve," said Nicholas R. DeMauro, Executive Director and Chief Executive Officer.

L.E.A.D. has developed a prestigious Board of Directors consisting of Leaders in Law Enforcement, Education, Government and Community Leaders whose main objective is

to build the foundation to serve the organizations mission. The Board of Directors relies on various Advisory Board Working Groups who make recommendations and review initiatives that L.E.A.D. will support and promote to participating communities. The Advisory Boards consist of representatives from LAW ENFORCEMENT, GOVERNMENT, CORPORATE, ACADEMIC, INSTRUCTOR and DRUG AND VIOLENCE PREVENTION POLICY BOARD.

L.E.A.D. is expanding rapidly in the Northeast and beyond. A unique alliance with the National Association of School Resource Officers has enabled L.E.A.D. to offer training's in Vermont, New Hampshire, California, Tennessee and other areas of the United States. We are proud to offer the Mendez Family of Proven Effective K-12 Evidenced based Curricula to communities throughout the United States. L.E.A.D. is currently available in 21 states from California to New Jersey, to New Hampshire to Florida, Tennessee and to Texas.
